# RECOVERY CONNECTIONS OF CENTRAL FLORIDA

As a Recovery Community Organization (RCO), Recovery Connections of Central Florida uses our lived experience recovering from substance use disorder (SUD) to support people on their path to happy, healthy lives.

Florida has an overdose rate consistently higher than the national average. Our services are a vital lifeline to many, especially those who are high-needs. Peer-based recovery support services, two Recovery Community Centers that provide a safe space to grow and connect, and a 24/7 helpline (407-RECOVER) give people the help and encouragement they need to recover.

## RALLY FORE RECOVERY

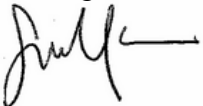

In its fifth year, *Rally FORE Recovery* will bring together 150-200 leaders from the business, healthcare, recovery, and nonprofit communities.

Funds generated through this year's event will allow Recovery Connections to help people break down barriers to recovery, navigate a complex system of resources, and grow and sustain recovery. Our generous and compassionate supporters make this life-changing work possible and keep it at no cost to our participants. **Since launching services in July 2022, over 3,100 people have received recovery support, thanks to community partners like YOU.**

*Rally FORE Recovery* takes place during National Recovery Month, a celebration of the nearly 23 million Americans living in recovery. In this packet, you will find details about event sponsorship opportunities. Join the celebration and demonstrate your commitment to changing lives right here in Central Florida by becoming a sponsor.

**Will you join us as a sponsor of *Rally FORE Recovery*?** When people recover, we all win.

With gratitude,

Stephanie Marsan, Development Manager
