RECOVERY CONNECTIONS

Recovery Connections is a Recovery Community Organization (RCO) rooted in lived experience. We know firsthand that recovery is possible, and we use that perspective to walk alongside individuals and families as they build healthier, more fulfilling lives.

With Florida's overdose rate continuing to exceed the national average, our work is more critical than ever. We provide a vital lifeline for those who need it most, offering peer-based recovery support services, five Recovery Community Centers across four counties create safe spaces for connection and growth, and a 24/7 helpline (407-RECOVER) to ensure help is always within reach.

RALLY FORE RECOVERY

Rally FORE Recovery will bring together leaders from the business, healthcare, recovery, and nonprofit communities for an afternoon of connection and impact.

Funds raised through this event directly support Recovery Connections in breaking down barriers to recovery, helping individuals navigate a complex system of care, and building strong, sustainable recovery. Because of generous supporters like you, all services remain completely free to participants.

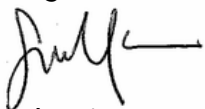

Since launching in July 2022, more than 4,000 individuals have accessed recovery support, each one a story of hope made possible by our community.

Rally FORE Recovery takes place during National Recovery Month, honoring the over 23 million Americans living in recovery. Inside this packet, you'll find sponsorship opportunities and ways to get involved.

Join us in celebrating recovery and making a lasting impact here in Central Florida by becoming a sponsor.

Will you join us? When people recover, we all win.

With gratitude,

Stephanie Marsan, Director of Development
